BUDGET PROPOSAL: STAFF

Amount requested \$ _____

Only **direct service** workers may be funded. This includes persons actually engaged in the serving or storing of food such as cooks, kitchen help, pantry volunteers, and food service or storage area cleanup persons. Administrative personnel such as bookkeepers and directors, or non-food workers such as maintenance workers are **not fundable**.

Please provide the following information for each position. An example is provided below.

Enclose a job description for each position (5 points). The description must contain information on the position’s specific duties and the approximate percentage of time spent on each duty. Hourly rate must be at or above New York State minimum wage (\$12.50 per hour).

Title of Staff Position	Hours per week	Hours per week to be charged to grant	Hourly rate	Number of weeks	Funding Request

Title of Volunteer Position	Hours per week	Hours per week to be charged to grant	Hourly rate	Number of weeks	Funding Request

2. Please list current funding sources and amounts covering each position.

3. How will requested funds improve your program’s ability to serve people in need? (5 points)

4. If seeking funds for a paid staff position, check which form of documentation your program can provide to document use of grant funds:

- Copies of payroll register Copies of W-2 form
 Copies of pay stubs

BUDGET PROPOSAL: UTILITIES-PART A

Electricity for Operating Refrigerators and Freezers

Your funding request for Part A is based on the types and amounts of refrigerators and freezers in use at your agency. Use the table below to calculate your request. We have provided an example below.

Example:

Equipment	Number in Use	Yearly cost per unit	Total Cost
Two-door refrigerator	2	\$250	\$500

BUDGET PROPOSAL: UTILITIES-PART B

Lighting and Climate Control

For Part B, your program will have a fixed funding request based on the number of days per month you are open. For example, if you are open two times per month, your funding request will be \$400.00. Food pantries may only count days they are open for regular distribution. Do not count on-call emergency days. Twenty-four hour shelters have a fixed funding request of \$1,200.00.

In the table below, please place an “X” by the row that matches how many days you are open per month.

(X)	Number of days open	PART B: Fixed funding request for year
	One day per month	\$200.00
	Two days per month	\$400.00
	Three days per month	\$600.00
	One to two days per week	\$1,000.00
	<i>Twenty-four hour shelter</i>	\$1,200.00
	Three or more days per week	\$2,000.00

2. How will requested funds improve your program’s ability to serve people in need? (5 points)

BUDGET PROPOSAL: SPACE

Amount requested \$ _____

Costs for currently occupied space for direct emergency food service or storage areas may be funded. Space shared with other programs is to be prorated to compute the portion used for emergency food service. Costs for administrative offices are **not fundable**. OS may fund rent or user fees, but may not be used to pay mortgage payments.

Please enclose a copy of the current rental agreement (5 points). If your program occupies a percentage of the rental space, please enclose a blueprint or sketched floor plan of the program space in relation to the whole rental unit. Only program areas connected with food service, distribution, or storage are eligible for funding.

Monthly rental cost	Percentage of rental cost to be charged to grant	Monthly rental cost to be covered by grant	Charge to grant for 12 months
Example: \$500.00	30%	\$150.00	\$1800.00
