

# BECOME A PARTNER

*serve your community as an agency or program*

## First consider:

- Are there existing pantries in your area? What are their days and hours of service?
- Is there something you could do to support their work? Expand their hours? Provide deliveries?

## Is there a gap in service?

If yes, what will you provide?

- Distributions on evenings and weekends
- Distributing perishables and produce
- Offering deliveries
- Offering dietary specific and culturally relevant foods.
- Inviting other direct service providers to partner.
- Service without judgement

## HOW IT WORKS

Interested organizations fill out a Strategic Partnership Application during the open application period.

FBST reviews applications, conducts a site visit, and onboards new partner if approved.

Partnership begins and you receive your first delivery along with ongoing support.

## BENEFITS OF PARTNERSHIP

Access to our menu. This includes dairy, proteins, perishables, and household items such as diapers.

Opportunities to apply for funding support for food, equipment, and more.

Direct delivery to your location of 1000 pounds or more.

Dedicated staff who provide training, onboarding assistance, and ongoing support.

**Apply for partnership during the next application period:**

**August 1- September 30**  
**December 1- January 31**
